Good afternoon Danny,

You mentioned in our previous phone call that Tina Cook was a member of the City Stars board. She's indicated that she's a member of the Parks board and has no affiliation with City Stars. Can you please provide me with an accurate list of all City Stars board members and their roles with that board.

Thank you,  
Daniel Gary

Danny,

When you and I discussed the City Stars board on the phone, you named two people – Trey McKee and Tina Cook as members of the City Stars board among other people including your staff. Why are neither Trey McKee nor Tina Cook present on the list you provided below? If they are not on the board, why did you give me their names when asked for the names of members of the City Stars board?
