Subject: City Stars Board

Good morning Danny,

You mentioned the City Stars Board last night, and I guess this is the first time I've heard about that and it raises a lot of questions.

1. Who's on the City Stars board?
2. Who technically "owns" City Stars? Does the city own it or does a third party with a partnership with the city?
3. Where can I get a copy of the bylaws for City Stars?
4. Where do our field reservations appear in the city budget? I see a \$21,193 line item for Park Revenue, but if that's us, that would mean 100% of the park revenue comes from Revolution – which would mean baseball, softball, adult league, the Hispanic league, and flag football don't pay anything to use the fields?

I also want to express my frustration with the lack of transparency on finances. I should have already known we were looking at a deficit before the meeting last night. We should have been able to forecast that months ago.

What steps can we take so we have real-time visibility into the financial health of Revolution?

Sincerely,
Daniel Gary
